SHREERAM RADHAKRISHNAN MEMORIAL TRUST

GIVING IS LIFE

15th December 2018

Dear Sir / Madam,

Sub.: An Appeal for "KHOJ" - Inter-School Science & Technology Festival on **6th January, 2019**

Greetings from the Trustees of Shreeram Radhakrishnan Memorial Trust. Our Trust and the Rotary Club of New Bombay Seaside have joined hands to promote and inculcate the spirit of scientific enquiry amongst the younger generation and for this we have chalked out a full day programme which will comprise:

- 1) Inter-school Science & Technology **Projects Competition** (restricted to students up to 10th Std.) with **cash prizes & Certificates** to winners and participation certificates to all participants.
- 2) During the day, **demonstrations / talks / video presentations** on related subjects will be held at the venue with a view to motivate the students and encourage them to think of possibilities.
- 3) **Astronomy (Gazing of Heavenly Bodies):** Video presentation followed by Star Gazing for students at Nerul Gymkhana (by a professional body from 6.00 pm onwards on the same day) will be held.

We believe and are sure that this venture of ours will be a trend setter and will go a long way in generating keen interest in Science & Technology.

The details of the festival along with the rules and regulations are attached herewith. In case of any query please contact any of the undersigned.

The estimated cost of the entire event is approx. ₹125,000/-. Our Trust will be obliged if your Organization can sponsor the event, or a part of the event.

Warm regards

For SHREERAM RADHAKRISHNAN MEMORIAL TRUST

R. Radhakrishnan
(President; 9224284929)
