नन्हे वैज्ञानिकों की सोच ने जगाई नई उम्मीद

वाशी में 'खोज 2025' का शानदार आयोजन

नवी मुंबई (सनी पांडिय)। नवी मुंबई के शैक्षणिक गलियारों में उस समय विज्ञान और तकनीक का अद्भुत संगम देखने को मिला, जब श्रीराम राधाकृष्णन मेमोरियल ट्रस्ट और रोटरी क्लब ऑफ न्यू बॉम्बे सीसाइड के साझा प्रयास से 'खोज 2025' प्रतियोगिता का बिगुल बजा. भारतीय विद्या भवन के प्रांगण में आयोजित इस सातवें वार्षिक विज्ञान महोत्सव ने छात्रों की जिज्ञासा और नवाचार को एक नया मंच प्रदान किया. ट्रस्ट के अध्यक्ष आर. राधाकृष्णन ने इस पहल के पीछे का उद्देश्य विद्यार्थियों के भीतर छिपी वैज्ञानिक प्रतिभा और कुतूहल को निखारना बताया।

प्रतियोगिता का आकर्षण इस कदर था कि नवी मुंबई और नवीन पनवेल के विभिन्न विद्यालयों से आए 220 बाल वैज्ञानिकों ने अपने अनोखे मॉडलों से सबको दंग कर दिया. कुल 86 टीमों के बीच कड़ा मुकाबला था, जिसे जूनियर और सीनियर दो वर्गों में विभाजित किया गया था. जहाँ जूनियर वर्ग में 17 स्कूलों की 30 टीमों ने हिस्सा लिया, वहीं सीनियर वर्ग में 29 स्कूलों की 56 टीमों ने अपनी तकनीकी विशेषज्ञता का लोहा मनवाया. सात प्रतिष्ठित जजों के पैनल ने बारीकी से हर प्रोजेक्ट का विश्लेषण किया और युवा दिमागों की रचनात्मकता को परखा. विजेताओं के लिए यह दिन खुशियों की सौगात लेकर आया, जहाँ प्रथम स्थान पाने वाले को 10 हजार, द्वितीय को 6 हजार और तृतीय स्थान को 3 हजार रुपये की नकद राशि के साथ मेडल और प्रमाण पत्र दिए गए. जूनियर वर्ग में 'स्पेस डेब्रिस' जैसी वैश्विक समस्या का समाधान सुझाकर साई होली फेथ हाई स्कूल की समीक्षा और त्रिशा ने पहला स्थान झटका. वहीं सीनियर वर्ग में एनएमएमसी स्कूल नंबर 18 के सुशांत और सूरज की शॉपिंग विद क्लीनिंग ट्रॉली ने तकनीक और उपयोगिता का बेहतरीन मेल पेश कर बाजी मारी. कार्यक्रम में बतौर मुख्य अतिथि शामिल हुए 'अपमोसिस' के सीईओ बिभू पाधी ने विद्यार्थियों को प्रेरित करते हुए कहा कि जीवन में ऊंचे लक्ष्य रखना ही सफलता की पहली सीढ़ी है।

शिक्षांगणचा तिसरा वार्षिक स्नेहसंमेलन सोहळा उत्साहात संपन्न

mahasagar February 19, 2026

नवी मुंबई:श्रीराम राधाकृष्णन मेमोरियल ट्रस्ट संचालित गरजू विद्यार्थ्यांना मोफत शिक्षण देणाऱ्या शिक्षांगणाचा तिसरा वार्षिक स्नेहसंमेलन सोहळा मोठ्या उत्साहात संपन्न झाला. नेरुळ येथील आगरी कोळी भवन सभागृहात हा कार्यक्रम आयोजित करण्यात आला होता.

ट्रस्टचे अध्यक्षचे अध्यक्ष राधाकृष्णन यांनी सांगितले कि, या ट्रस्टच्या वतीने १२ शिक्षांगण वर्ग चालवण्यात येतात. शिक्षांगण ही वंचित व गरजू विद्यार्थ्यांसाठी चालवण्यात येणारी मोफत अभ्यासवर्ग केंद्रे आहेत. विद्यार्थ्यांच्या सर्वांगीण विकासासाठी ही कार्यरत आहेत. नवीन पनवेल, खांदेश्वर, खांदा कॉलनी, बेलापूर गाव, सीबीडी बेलापूर, बोन्सारी, पावणे, रबाळे, दिघा, कळवा आणि ठाणे या भागांमध्ये ही केंद्रे कार्यरत आहेत.

या वार्षिक कार्यक्रमात ठाणे ते पनवेल परिसरातील सर्व शिक्षांगणांतील विद्यार्थी एकत्र आले होते. विद्यार्थ्यांनी प्रार्थनागीते, नृत्य आणि लघुनाटिकांद्वारे पर्यावरण संरक्षण, महिलांची सुरक्षा व सशक्तीकरण, प्लास्टिकमुक्ती, अन्न व भूकमारी या सामाजिक विषयांवर प्रभावी संदेश दिला. महाशिवरात्रीच्या औचित्याने सादर करण्यात आलेल्या शिवतांडव नृत्याने कार्यक्रमात आध्यात्मिक रंग भरला. या विद्यार्थ्यांपैकी अनेक मुले झोपडपट्टी किंवा लहान चाळींमध्ये राहतात. सरावासाठी पुरेशी जागा नसतानाही काही ठिकाणी रस्त्यावर व मोकळ्या जागेत सराव करून त्यांनी सादर केलेली उत्कृष्ट कामगिरी उपस्थितांना भावली. योग्य संधी व मार्गदर्शन मिळाल्यास ही मुले कोणत्याही स्तरावर यश मिळवू शकतात, याची जाणीव या कार्यक्रमातून प्रकर्षाने झाली, असे राधाकृष्णन यांनी सांगितले.

कार्यक्रमाचे सूत्रसंचालन ट्रस्टचे व्यवस्थापक अजित खताळ व खांदेश्वर शिक्षांगणाच्या शिक्षिका जयश्री वरपे यांनी केले. सुमारे ५५० विद्यार्थी, पालक, देणगीदार, स्वयंसेवक व हितचिंतक या कार्यक्रमास उपस्थित होते.

Media coverage has the unique power to turn quiet acts of kindness into stories that inspire.
At the Shreeram Radhakrishnan Memorial Trust, each life touched is a story worth sharing. When our efforts are seen, they awaken compassion, attract support, and **remind the world that kindness still exists**.
For us, media is not just a platform—it's a bridge that connects hearts. It helps amplify our mission and inspires others to join in the journey of giving.

"With Gratitude for Lighting My Path"

I am Vaishnavi Gopal Baid, currently studying in TY.BY. I have been associated with the Shreeram Radhakrishnan Memorial Trust since I was in the 7th standard. Since then, I have received a lot of support for my education, and it is only because of this help that I have been able to study and come this far.

I feel very happy to be connected with this organization. I would especially like to thank Radhakrishnan Sir and Lalita Ma'am for supporting me so much, which has helped me continue my education.

I don't have parents, and my elder sister takes care of me, but we could not afford all the expenses of my studies. Now, with the help of hes Trust I am receiving full support.

At present, I am also into wrestling, and even my diet expenses are completely taken care of by the Trust and friends of the Trust. I sincerely thank the Shreeram Radhakrishnan Memorial Trust for giving me so much help.

"In the humblest of homes,

the brightest dreams are born."

Bharati Vinod Chavan, a student of our New Panvel Shikshaangan, offers her heartfelt gratitude to all the generous donors of our Trust.

She lives in a small hutment, as seen in the photograph above—a space that would make many of us pause and wonder how a child could study, dream, and prepare for board exams under such difficult conditions.

Yet, despite these overwhelming challenges—and the heartbreaking loss of her father just less than two years back—Bharati stood strong. With quiet determination, she secured 60.2% in her 10th Boards .

Her courage is inspiring.

Her journey is humbling.

And her success is, in part, a reflection of your kindness.

To every donor who made her path a little brighter—thank you.

Bharati is being supported by the Trust for the past 5 years.

"Empowering Tomorrow's Leaders Through Education Today."

For the past 11 years, Shreeram Radhakrishnan Memorial Trust has been unwavering in its commitment to supporting the education of needy students. Recognizing that merit deserves encouragement, the Trust has also been honouring meritorious students annually during this period.

In the last five years, this initiative has grown to include students from Navi Mumbai Municipal Corporation (NMMC) schools and the Trust-run Shikshaangans—both serving some of the most underprivileged sections of society.
This year the function of handing over cheques was held on Saturday, 21st June 2025, at Shri Datt Vidyamandir School, Navi Mumbai Municipal Corporation.

As part of this effort, financial assistance in the form of a cheque of ₹5,001/- is awarded to each selected student. This amount is aimed at fully or partially covering their educational fees for the coming academic year, helping them move forward in their academic journey with dignity and hope. Additionally, the student, Sahil Yuvraj Jadhav who secured first rank from Navi Mumbai (94.6%) was awarded a cheque of ₹10,001/-.

The students were promised that if they continue with their good performance, in the coming years, the Trust will even consider paying their entire college fees.

"Fueling Futures Through Education and Merit."

A total of 65 students were felicitated.
The Trust remains deeply committed to nurturing talent and ensuring that no deserving child is held back due to financial hardship.

On the occasion:
From the Trust, Mr. Radhakrishnan, Mrs. Lalitha, Mr. Raghavan & Mr. Ajit Khatal were present.
Well-wishers Dr. Krishnamurthy & Vinay Rao were also present along with teachers from the Shikshaangans.
Former Corporators of Sanpada village, Mr. Somnath Vaskar, & Mrs. Komal Vaskar were also present. Mrs. Sulabha Barghare, Extension Officer, Education Department, NMMC also graced the occasion.
All the above mentioned dignitaries gave wonderful speeches, motivating the students who are to step out into an altogether different academic world.

We are extremely grateful to Headmaster Mr. Mahendra Patil & Principal Mr. Mangal Bhoir who went out of their way to ensure the success if this function. We are also thankful to the large number of school teachers who were present to ensure the smooth functioning of the event.

An Act of Compassion: Educational Support for Cancer-Affected Families

As words failed, tears spoke.

Stories of loss, courage, and survival filled the room—reminding us why this support matters, and why no child should face such journeys alone.

Standing with Courage:
A Visit That Touched Lives

On 2nd January, the Shreeram Radhakrishnan Memorial Trust extended financial assistance to **twenty students** whose families are battling cancer or have lost an earning parent to the disease. A few other students in similar situations were supported earlier in the year. **Cheques totalling over ₹4 lakh** were handed over—what we believe was the most meaningful New Year gift we could offer: reassurance, dignity, and hope for the children's future.

The gathering was deeply moving. Parents and students shared their painful journeys—the long treatments, helpless moments, and profound losses—bringing tears to everyone present. In that shared moment of grief, the Trustees, Radhakrishnan and Lalitha Radhakrishnan, along with our Manager, Ajit Khatal, assured the families that the Trust would stand by them and do everything possible to ensure that their children's education does not suffer. Supporting them beyond financial aid remains our commitment.

We are **deeply grateful** to Mr. Kiran Shinde, Senior Medical Social Worker, for his compassionate coordination, and **to our generous donors**, without whom this support would not have been possible. **Together, we may not erase the pain—but we can keep hope, dignity, and education alive.**

When Mothers Choose to Learn: A Ripple of Change

At our Shikshaangans in Khandeswar, Khanda Colony & New Panvel students come from hutments. Khandeswar & Khanda Colony areas are without access to electricity or running water. Despite their hardships, these children show remarkable dedication to their studies at our centres.

What touched us deeply was the quiet curiosity of their mothers—lingering near the classes, watching, listening, and trying to grasp what their children were learning. Their growing interest became impossible to ignore.

Moved by their eagerness, we have now started regular literacy classes for these mothers on alternate days at both locations. Their enthusiasm gives us great hope that they will soon be able to read and write confidently—marking a beautiful step towards empowering not just individuals, but entire families.

Shikshaangans: Meaningful Engagement Beyond Academics

The Trust runs 12 Shikshaangans, offering free after-school academic support to underprivileged children. Five Centres are run in coordination with Stree Mukti Sanghatana.

Holiday Engagement for 200+ Children

Though nearly 40% of students travelled to their native villages during school holidays, around 200 children continued attending the centres. To make their time enriching and joyful, the Trust organised a series of creative and educational activities.

Hands-on Science & Outdoor Fun

Science workshops conducted at Digha and Kalwa in partnership with Agastya Foundation ignited curiosity through interactive experiments. Students also enjoyed indoor games like chess and carrom, and outdoor sports including cricket and badminton.

Crafts, Nature, and Mango Magic

Children participated in craft-making sessions guided by teachers. A simple act—distribution of mangoes—sparked inspiration, as many planted the seeds. These are now growing into saplings, becoming symbols of care and sustainability.

World Environment Day & Community Support

On World Environment Day, students planted saplings and learned about protecting the planet. Several well-wishers contributed nutritious meals and treats, adding a special touch to the holiday experience.

A Sweet Summer Surprise

What many of us take for granted is often a distant dream for others. The simple joy of relishing Alphonso mangoes became a moment of magic for the children of our Shikshaangans.
Their smiles lit up the day as 49 dozen Alphonso mangoes were lovingly distributed. The joy on their faces is something we will remember long after the mangoes are gone.

Moments like these remind us how small gestures can create lasting happiness.

Golden joy! Alphonso mangoes gifted—and their smiles glowed like sunshine on a summer morning.

"They Came, They Taught, They Touched Lives"

We are heartened to see college interns stepping forward to teach at our Shikshaangans, even if only for brief periods. Their presence brings fresh energy, new ideas, and a spark of encouragement to our students.
Recently, we were glad to have **Shrived Deshmukh and Anushka Joshi**, **both Engineering College students**, volunteer their time to teach and inspire the children.

A special mention goes to **Mr. Sushil Jain, an alumnus of MGMCET**, who has begun volunteering at the **Kalwa Shikshaangan**—a gesture that truly reflects his compassion and commitment to giving back.

To all these volunteers, we extend our heartfelt gratitude.
But the journey is far from over. Hundreds of underprivileged children are still waiting—for someone to guide them, mentor them, and believe in their potential.

We earnestly appeal to students, working professionals, and retired educators to join hands with us. Your time, your knowledge, your care—however little it may seem—can light up a child's path.

Let us come together to help these children dream bigger, rise higher, and walk toward a brighter future.

Aashadi Ekadashi Celebrations at Shikshaangans

The spirit of devotion and joy filled our Shikshaangans as children enthusiastically celebrated Aashadi Ekadashi, a festival dedicated to Lord Vittal. Dressed in traditional attire, the students participated in lively processions, sang bhajans, danced, and offered prayers. Teachers also shared the significance of the festival, helping the children understand its cultural and spiritual importance. It was a heartwarming blend of faith, learning, and festive cheer.

Shikshaangans — A Commitment to Holistic Learning Rooted in Education

The Trust's reports reflect the wide range of activities conducted at our Shikshaangans, all aimed at holistic development. However, at the heart of everything we do lies our core mission—education.

We are proud to share that student attendance is consistently high, and we are working with determination to bring absenteeism down to zero. Every effort is being made to enhance the quality of coaching, ensuring that each child receives focused and effective academic support.

From providing all necessary learning materials to creating a nurturing environment, we strive to ensure that no child lacks the resources to study wholeheartedly.

Our Trustees and Manager, Mr. Ajit Khatal, are in constant touch with the children, encouraging them to aim high and dream big.

Attached are glimpses from our classrooms—moments that capture the deep concentration and sincere effort of our students as they reach for a brighter future.

Dedication to Learning at Shikshaangans

Inspired by Their Children, Mothers Begin Their Own Learning Journey

At the Khanda Colony Shikshaangan, a quiet yet powerful transformation is unfolding. Seeing their children study with such dedication, even illiterate mothers from nearby hutments have begun coming down to the centre to learn the basics. What began as a spark in the children is now igniting a deeper wave of learning—across generations.

Dear Friends,

It gives us immense joy to share with you the highlights of our service activities this month.
The spirit of patriotism shone brightly as Independence Day was celebrated across all our 12 Shikshaangans with patriotic songs, speeches, dances, flag-waving walks, and the distribution of sweets and snacks. The celebrations not only brought joy but also reminded our children of the sacrifices made by our forefathers.

We also celebrated Rakshabandhan, a festival symbolizing love and protection, where children came together in the true spirit of unity and bonding.
Ration kits, generously provided by the Innerwheel Club of New Bombay Seaside, were distributed to eighteen students and parents of Khandeswar Shikshaangan, bringing relief and smiles to many families.

Looking ahead, we are excited to share our plans to provide nine autorickshaws to deserving women under our Women Empowerment Campaign. This initiative will not only help them earn a sustainable livelihood but also give them dignity and independence.

With your continued support, we look forward to touching more lives and spreading hope where it is needed the most.

Shreeram Radhakrishnan Memorial Trust — Lighting Lives, Spreading Smiles

Warm Diwali greetings to all our dear donors, well-wishers, teachers, and students!
This Diwali was truly special for the **420 children of the twelve Shikshaangans** as each one of them celebrated the festival with new clothes, delicious snacks, and a burst of colourful crackers. The celebrations, spread across three joyful days from 18th to 20th October, were filled with laughter, excitement, and the sparkle of happiness.

From sparklers to flowerpots and whirligigs, the children revelled in every moment. Trustees, the Trust Manager, and several kind-hearted well-wishers joined the festivities, making the celebration even more memorable.

The radiant smiles on the children's faces said it all — the true spirit of Diwali shone through their joy. With your generous support, Shreeram Radhakrishnan Memorial Trust was once again able to bring light, warmth, and cheer to the lives of those who deserve it most.

Reading Newspapers—A Habit That Empowers

We have been encouraging our students to read the Student's Edition of weekly newspapers to help them develop awareness, improve vocabulary, and strengthen their general knowledge. It is heartening to see that even the women who have recently begun learning to read and write have started engaging with the newspapers. This growing habit of reading is opening new windows of understanding for both the children and the ladies alike.

Celebrating Childhood with Joy, Laughter, and Learning

Children's Day was celebrated across all the Shikshaangans with great enthusiasm. Various games, competitions, and cake-cutting activities were organised, bringing joy and excitement to the students.

Dear Donors

This New Year begins with hope and purpose as we inaugurated our 13th Shikshaangan on the 27th of Dec – another safe space where dreams are nurtured and futures are shaped. Your generous support has helped us reach over 500 students who cannot afford private coaching.

May the New Year bring you joy, peace, and the fulfilment of knowing that your compassion is transforming young lives.

When Coaching Is a Dream, Shikshaangan Becomes the Answer

We are delighted to announce the **inauguration** of our **13th Shikshaangan** on 27th December at Shramik Nagar, NMMC School No. 115.

This Shikshaangan will support 78 students of 9th & 10th standards, and with this addition, the **total** number of **students benefitting from our Shikshaangans** is now close to **500**—a truly heartening milestone!

Mr. Yashwant Mhaskar will be guiding students in Mathematics, Science & English, helping them build strong foundations and confidence.

The **inauguration** was a simple yet heartfelt ceremony attended by **Principal Mr. Ramchandra Thakur**, teachers Mr. Yashwant Mhaskar and Mr. Ajit Khattal, and Trustees R. Radhakrishnan, Lalitha Radhakrishnan, and Anil Kartha. The programme began with the lighting of the lamp and a prayer by the students, followed by brief addresses encouraging them to work hard, believe in themselves, and aim for a brighter future in academics and life.

Our heartfelt thanks to Principal Mr. Ramchandra Thakur for his constant support in making this Shikshaangan a reality.

Shikshaangans are free coaching centres, created to ensure that no child is denied education due to financial constraints. While many of our centres operate independently, this Shikshaangan was started within a school itself—bringing learning support closer to students.

Our **goal**: **100% results** in the **10th Standard** Board Examination at this school in the coming academic year.

With hope in our hearts and determination in our efforts, we continue our mission to uplift young lives through education—one Shikshaangan at a time.

Together, we are shaping brighter futures.

A New Milestone in Our Journey of Education & Hope

Dear Donors,

We are delighted to share that six students from Rabale-2 Shikshaangan have cleared the Maharashtra Government 8th Standard Scholarship Examination. They will each receive ₹15,000 per year for the next four years.

For children from challenging backgrounds, this achievement is more than academic success — it is a step towards confidence, dignity and a brighter future.

We look forward to many more such successes across our Shikshaangans in the years ahead. This milestone has been made possible because of your continued support and encouragement.

With gratitude.

The names of the six students and the percentage marks obtained in the National Means cum Means Exam (NMMS) are down below:

3rd Annual Day Celebration of the Shikshaangans

Through prayer, dance and powerful skits, the children delivered strong social messages – environmental care, women's empowerment, respect for the transgender community, inclusion, self-respect and freedom from superstition. A mesmerizing Shiv Tandav on Maha Shivratri added spiritual splendour to the celebration.

We extend our heartfelt gratitude to all our generous donors whose unwavering support made this celebration possible. Your kindness continues to give our children opportunities to dream, perform and shine.

3rd Annual Day Celebration
Shikshaangans of Shreeram Radhakrishnan Memorial Trust

The Shikshaangans of Shreeram Radhakrishnan Memorial Trust are more than just after-school, free academic coaching centres — they are spaces where confidence is nurtured, values are shaped, and dreams quietly begin to take flight. Located across New Panvel, Khandeshwar, Khanda Colony, Belapur Gaon, CBD Belapur, Bonsari, Pawane, Rabale, Digha, Kalwa and Thane, these twelve centres serve as beacons of hope for underprivileged children.

On the auspicious occasion of Maha Shivratri, 15th February 2026, students from all twelve Shikshaangans, spread from Thane to New Panvel, gathered at the prestigious Agri Koli Bhavan Auditorium, Nerul, to celebrate their much-awaited 3rd Annual Day.

It was not merely an event — it was a celebration of resilience, talent, and the transformative power of education.

Through soulful prayer songs, vibrant dances, powerful skits, and thought-provoking performances, the children conveyed strong social messages — care for the environment, the strength and safety of women, Operation Sindoor, respect for the transgender community, self-respect, freedom from superstition, zero hunger, and the urgent need to reduce plastic waste. In keeping with the sanctity of Maha Shivratri, a mesmerizing Shiv Tandav dance added spiritual grandeur to the evening.

What made the evening even more extraordinary was the background from which these children come. Many live in hutments and modest chawls, with limited space and resources. Yet, on that stage, they shone with a brilliance that could rival the finest institutions. It was a powerful reminder — when given a platform, encouragement, and belief, these children can rise beyond all boundaries.

3rd Annual Day Celebration
Shikshaangans of Shreeram Radhakrishnan Memorial Trust

For nearly two months, they practised tirelessly under the dedicated guidance of their teachers. In centres where space was scarce, rehearsals took place in narrow lanes and on quiet stretches of road. Their commitment was unwavering.

The programme began with the traditional lighting of the lamp and a prayer, setting a serene and auspicious tone. Ajit Khattal, Manager of the Trust, and Mrs. Jayshree Varpe of Khandeshwar Shikshaangan compered the show gracefully, ensuring the seamless flow of a three-hour celebration that held the audience spellbound throughout.

The auditorium was filled with donors, well-wishers, parents, volunteers, and supporters — nearly 550 in number. Eight buses had been arranged to bring children and their families from various corners between Thane and Panvel, ensuring that no one missed this special day. Despite the length of the program, not once did the enthusiasm fade — neither on stage nor in the audience.

In observance of Maha Shivratri, all attendees were served satvic food, adding warmth and community spirit to the celebration. The food was sponsored by Girija Snkar in memory of her father who recently passed away.

As the evening concluded, there was pride in the eyes of parents, gratitude in the hearts of teachers, and a renewed sense of purpose among everyone present. Most of all, there was confidence — shining brightly in the faces of the children. Even before the lights dimmed, the children were already dreaming of next year.

Because for them, the Annual Day is not just a program.

It is proof that they matter.

That they are capable.

And that their dreams are valid.

Where young minds question, experiment, and create the future

KHOJ : Inter-School Science & Technology Competition

KHOJ, an inter-school Science and Technology team competition jointly organised by the Shreeram Radhakrishnan Memorial Trust and the Rotary Club of New Bombay Seaside, was held on January 25, 2025, at Bharatiya Vidya Bhavan, Vashi. The event marked the **seventh edition of KHOJ** and aimed at fostering scientific curiosity, innovation, and inquisitiveness among school students. **KHOJ Event is Sponsored by ApMoSys.**

The **competition** was open to schools from **Navi Mumbai and New Panvel** and was conducted in **two categories**—Juniors (up to Class VII) and Seniors (Classes VIII to X). A total of **86 teams** participated, including **30 junior** teams and **56 senior** teams. Altogether, **220 students** from 17 schools in the junior category and 29 schools in the senior category showcased innovative science and technology projects.

Seven eminent judges—Mr. Krishnamurthy, Mr. Manimaran, Mrs. Darshana Salaskar, Mrs. Kirthi Rathi, Ms. Miloni Kamdar, Mr. S. V. Ranade, and Mr. Anil Kumar Kaushik—evaluated the projects. The judges appreciated the high quality and originality of the exhibits and, after detailed interactions with shortlisted teams, unanimously selected the winners.

Shree Kalyan Yojana – Reaching the Most Vulnerable

The function will be held on the 15th of March at Agri Koli Auditorium from 10 am to 1 pm.

Under the Shree Kalyan Yojana, through which the Trust provides financial assistance to widows, single parents and orphans, we received nearly 160 applications for support.
To verify the authenticity of these requests, a Trustee and the Trust Manager personally visited the homes of the applicants.
These door-to-door visits revealed the difficult realities many families face — surviving on meagre incomes, coping with medical problems, and striving to educate their children.
Particularly moving was the plight of young widows struggling to raise small children on their own. These visits strengthened our resolve to extend support and bring some relief and hope to such families.

A Heartfelt Thank You to Our Donors

We extend our deepest gratitude to all our generous donors for making Shree Kalyan Yojana possible.

Your support has brought hope and relief to families facing some of life's toughest challenges.

While the assistance may seem modest by many standards, it makes a significant and meaningful difference in the lives of the beneficiaries.

For many, it helps meet essential needs and brings a sense of stability.

More importantly, it reassures them that they are not alone in their struggles.

Your kindness has touched lives with dignity, care, and compassion.

This initiative stands as a reflection of your empathy and generosity.

Together, we are able to reach those who need support the most.

Thank you for being the strength behind this noble effort.

Shree Kalyan Yojana
Financial Assistance to Widows, Single Mothers and Orphans

Living in poverty is a struggle in itself. But when the family's main earning member is lost, life becomes unimaginably difficult for those left behind. For many widows, the sudden responsibility of raising children, managing household needs, and ensuring their education becomes an overwhelming challenge. The situation is often similar for single mothers who must shoulder these responsibilities alone. Equally heartbreaking are the circumstances of orphaned children who are often taken in by relatives already facing financial hardships.

Moved by the hardships faced by such families, the Shreeram Radhakrishnan Memorial Trust launched Shree Kalyan Yojana four years ago, with the aim of providing financial assistance to needy widows, single parents and orphans. **Under this initiative, selected beneficiaries are provided ₹12,000 each** to help them cope with their immediate needs and bring some measure of relief to their lives.

The beneficiaries are selected after careful screening, as almost every applicant comes from a genuinely distressed background. In the **first year**, the Trust supported **94 beneficiaries** (87 widows, 4 single mothers and 3 orphans). In the **second year**, the number increased to **118 beneficiaries** (106 widows, 10 single mothers and 2 orphans). In the **third year**, assistance was extended to **136 beneficiaries**, including widows, single parents and orphans. **This year**, at a function held on 15th March at the Agri Koli Auditorium, Nerul, the **Trust provided financial assistance to 140 beneficiaries**, including 125 widows, 9 single parents and 6 orphans.

Shree Kalyan Yojana - A Day of Hope and Dignity

Like every initiative of the Trust, the event was not merely a distribution of aid but an occasion to spread hope and encouragement. The programme started with Lamp lighting and was followed by the **Invocation Prayer by Shraddha Sudhir**. THe Programme was interspersed with cultural performances that added warmth and joy to the gathering. **Kathak** performances by **Miss Rujuta Jadhav, Miss Sanvi Bhoi, and two teams from Nrityanjali Kathak Sadhana Kendra, Navi Mumbai** enthralled the audience and held them spellbound. The **musical** performances by **Seema Srivastava and Ajit Kaur** were equally appreciated.

The event also included meaningful awareness sessions. A **team** of advocates led by **Advocate Prakash Salsingikar** from **Dard Se Humdard Tak Trust** informed the women about the free legal assistance available to underprivileged families, including mobile legal aid services through their outreach van.

Dr. Shyam More and Mr. Yashwante from D. Y. Patil Hospital addressed the gathering and spoke about the various medical services available to the underprivileged, encouraging them to approach the hospital for assistance whenever needed.

The programme was attended by the Navi Mumbai **Chief of Lokmat**, while **Corporator Mr. Suraj Patil** also graced the occasion.

Looking ahead, the Trust hopes to expand the project by encouraging some beneficiaries to start small self-sustaining ventures, either individually or in groups, and plans to extend further financial assistance for such initiatives.

With the continued support of generous donors, the Trust remains confident that Shree Kalyan Yojana will grow stronger in the coming years, bringing hope and dignity to many more families in need.

Ladies Displaying their Licences

“With Your Help, I Can Stand on My Own”

We are pleased to share a significant milestone achieved under the Women’s Empowerment Programme at the Shreeram Radhakrishnan Memorial Trust.

Through the sustained support of the Trust, 26 underprivileged women have successfully obtained their autorickshaw driving licenses. As the next step in this initiative, we aim to ***assist at least 9 of these women in acquiring their own autorickshaws*** *this year, thereby enabling them to establish independent and sustainable livelihoods. By supporting this cause, donors will not only be providing a vehicle, but also facilitating self-reliance, dignity, and renewed hope for the beneficiaries.*

In the following two pages the Appeal from two of the ladies made in Marathi is translated and reproduced.

“A New Beginning with Hope and Gratitude”

Hello,

I am Geeta Devkar. I am unmarried and live with my mother. Yes, I want to drive an autorickshaw myself.

Currently, I work as a domestic helper, but I long to change my circumstances. At present, we are living a very difficult life. Once I earn more money, I will be able to clear the installments of the autorickshaw.

Yes, I also wish to help others. I will try to extend my hand to those in need.

Along with that, I also want to feed stray animals on the streets. I will take responsibility to provide them proper food so that they are not left hungry. This is my selfless mission.

We can never forget the kindness of the Shreeram Radhakrishnan Memorial Trust. I am truly grateful for all the work your Trust is doing. For us, you are no less than God. Until now, no one has helped us this much. But because of the Trust, I received support right from the time I started learning to drive an autorickshaw till I finally received one.

Just as the Trust helps so many others, I may not be able to do the same on such a scale, but I promise to help the poor and needy in whatever way I can.

“From Housework to the Driver’s Seat”

I am Sunita Suresh Pawar.

Yes, I want to drive an autorickshaw myself. At present, I work as a housemaid, but I want to change my circumstances. I am the sole breadwinner because my husband met with an accident. He has fractures in his hands and legs and is unable to work. I have three children, and the cost of their education is also high. In such a situation, I alone am the pillar of support for my family.

With higher earnings, we will be able to clear the auto installments and support our family better. With more income, we can also provide a better education for our children. Yes, we also think of helping others. We will try to extend help to those in need.

We can never forget the kindness of the Shreeram Radhakrishnan Trust. Our whole family is deeply grateful to the Trust. For us, they are like God. No one else has ever helped us this much. But through the Trust, we received help from the very beginning of learning to drive the autorickshaw till finally getting it. Just as the Trust helps others, I may not be able to do so much, but I will surely help the poor and needy as much as I can.

Women Empowerment

Autorickshaws for Needy Women

Twenty six needy ladies were trained and they received their Driving Licences.

Out of the twenty six ladies, eleven ladies showed keen interest and were provided with Badges.

Then when the final day came to decide, three ladies backed out as they were not sure of being able to do justice.

The final eight ladies will be provided with Autorickshaws in the third week of March 2026.

The names of these ladies are:

1) Pooja Manohar Khandagale
2) Sunita Suresh Pawar
3) Kavita Jitendra Khairnar
4) Hasina Vijay Parnakar
5) Priyanka Prakash Devkar
6) KAVITA GAJANAN SURADKAR
7) Geeta Ramu Devkar

Wheels of Hope: A Step Towards Women Empowerment

A truly heartwarming milestone —
eight autorickshaws handed over to deserving women by the Mayor at the prestigious NMMC Bhavan, Belapur, marking new journeys of dignity and independence.

Empowering Women, Enabling Dreams

In a heartwarming step towards women empowerment, eight autorickshaws were handed over to selected needy women through the gracious hands of the Mayor of Navi Mumbai, Mrs. Sujata Patil, at the prestigious NMMC Head Office premises in Belapur. The occasion was also graced by the presence of a number of Corporators adding great significance to the event.

In a deeply symbolic gesture, the Mayor and other Corporators personally cut the ribbons on each autorickshaw, marking not just the beginning of a livelihood, but a new journey towards independence and dignity for these women. The Mayor appreciated the efforts of the Trust and commended its commitment towards empowering women.

Significantly, the event was held in the month of March, which marks International Women's Day, adding a special meaning to the occasion. Trustees Mr. Radhakrishnan, Mrs. Lalitha and Mr. Anil Kartha, along with Trust Manager Mr. Ajit Khatal, were present. The Trustees expressed their sincere gratitude to the Mayor for taking time out of her busy schedule to personally hand over the autorickshaws.

The Mayor warmly interacted with the beneficiaries, encouraging them and acknowledging their strength and determination. In a gracious gesture, she later invited the team to her office for a brief interaction over tea, further reflecting her support and appreciation for the initiative.

The event concluded on a positive and inspiring note, receiving good coverage across media, newspapers and a television channel—helping spread the message of empowerment and hope to a wider audience.

A proud moment as eight women begin their journey towards independence.

Empowerment in motion —
women steering their own futures.

Mayor Madam inaugurated the Project and welcomed us to her Office & thanked the Trust for the good work.

More than vehicles—these autorickshaws represent dignity, hope, and self-reliance.

The Trust wishes to thank the following for their donation towards the purchase of one autorickshaw each:

1) Mrs. Seetha Ramakrishnan
2) Shree Shankara Hindu Mission
3) Mr. & Mrs. K N R Subramanian
4) Suraj Ramaswamy

And Special thanks to our Regular Donors whose donations helped us to purchase four Autorickshaws

Our Belapur Shikshaangan operates from a spacious room generously provided **free of cost** by social worker **Mr. Ravi Mhatre**. The Trust remains deeply grateful for this thoughtful support, which has enabled us to continue our work in the community.
As most of the women who received the autorickshaws are from Belapur Gaon, it felt only appropriate to express our gratitude by organizing a small ceremony in Mr. Ravi Mhatre honour.

On this occasion, Mr. Mhatre reaffirmed his wholehearted support for the Trust's initiatives. He also inspired the beneficiaries with a simple yet powerful message—**to one day extend a helping hand to others, just as they themselves had been supported.**

तुर्भे, ता. २३ (बातमीदार) : सीबीडी परिसरातील गरजू महिलांना महापौर सुजाता पाटील यांच्या हस्ते सोमवारी (ता. २३) मोफत रिक्षा वाटपाचा उपक्रम पार पडला. श्रीराम राधाकृष्णन मेमोरियल ट्रस्ट यांच्या माध्यमातून राबविण्यात आलेल्या या उपक्रमामुळे महिलांना स्वावलंबनाकडे वाटचाल करण्याची संधी उपलब्ध झाली आहे.

महापौर पाटील यांनी सांगितले की, अशा उपक्रमांमुळे महिलांच्या आयुष्यात आनंदाचे क्षण निर्माण होतात आणि त्यांच्या कुटुंबाला आर्थिक आधार मिळतो. महिलांना सक्षम बनविण्यासाठी ट्रस्ट करत असलेले कार्य कौतुकास्पद असल्याचे त्यांनी नमूद केले. ट्रस्टच्या माध्यमातून गरजू महिलांना विविध प्रकारचे कौशल्य प्रशिक्षण देऊन त्यांना रोजगाराच्या संधी उपलब्ध करून देण्यावर भर दिला जात आहे. विशेषतः एकल माता, तसेच आर्थिकदृष्ट्या दुर्बल महिलांना सक्षम करण्यासाठी प्रयत्न केले जात आहेत. या उपक्रमांतर्गत सीबीडी परिसरातील आठ महिलांना रिक्षा चालवण्याचे प्रशिक्षण, तसेच त्यांचे रिक्षा परमिटदेखील ट्रस्टने काढून दिले आहे.

सुमारे २४ लाखांचा खर्च

रिक्षा खरेदी करणे या महिलांना आर्थिकदृष्ट्या शक्य नसल्याने ट्रस्टने पुढाकार घेत सुमारे २४ लाख खर्च करून या महिलांना मोफत रिक्षा उपलब्ध करून दिल्या, अशी माहिती ट्रस्टचे अध्यक्ष राधाकृष्णन यांनी दिली. या कार्यक्रमास उपमहापौर दशरथ भगत, नगरसेविका सलुजा सुतार, ट्रस्टच्या सचिव ललिता, तसेच स्थानिक नागरिक उपस्थित होते.

Reaching Those Away from the Mainstream — with School Bags and Stationery That Spark Hope.

Barely 50 kilometers from Navi Mumbai lie a cluster of Zilla Parishad schools nestled in the tribal regions of Pen, Raigad District — in villages like Belwade, Wadacha Danda, Malewadi, Dargawadi, Ambivali, Malwadi, and Kavjachi Wadi. Though the distance is short, the contrast in living conditions is striking. Here, most parents work tirelessly in stone quarries, on small farmlands, or as daily wage earners in the nearby town of Pen. Their lives are marked by struggle, yet their hearts carry one unwavering dream — to see their children educated and free from the cycle of hardship.

Commencing with Prayers and Divine Grace

When the schools reached out to us, requesting school bags and stationery for their 177 students, we knew we had to act. On 12th October, the Trust organized a small yet deeply touching event to hand over these supplies. The sight of the children clutching their new school bags, their eyes sparkling with joy and gratitude, was truly heartwarming. The principals and teachers joined in the celebration, and breakfast was served to every child — a simple gesture that filled the morning with warmth.

A heartfelt welcome — from those whose lives you've touched

An Adivasi dance filled the air with rhythm, warmth, and gratitude — a traditional welcome to the Trustees

Adding to the joy, the Adivasi children presented a lively local dance, their smiles radiating confidence and pride. It reminded us that with just a little opportunity, these young minds can go far — perhaps much farther than they ever imagined.

We assured the schools that this is just the beginning of our journey together. The Trust remains committed to supporting these children — to strengthen their schools, nurture their potential, and ensure that poverty never comes in the way of education.

None of this would have been possible without our generous donors — the unseen heroes who make every act of kindness come alive. Their compassion lights the path for many young dreams waiting to take flight.

MUMBAI: With heavy rain wreaking havoc in the state, at least 90 people have died, 70 are missing and over 1,000 families were rescued amid floods and landslides in Konkan and western Maharashtra on Friday.

Eleven cases of landslides were reported in the state on Thursday and Friday. Taliye, Sakhar Sutarwadi and Kevnale in Raigad, Posare in Ratnagiri, Ranjangaon in Sindhudurg and Ambeghar, Mirgaon, Humbarli and Dhokavale in Satara saw landslides.

Of the dead, 60 are from Raigad (49 in Taliye, 5 Sakhar Sutarwadi and 6 Kevnale), 3 in Posare and 2 in Parshuram Ghat in Ratnagiri, 8 in Satara, one in Ranjangaon in Sindhudurg. More than 16 people have died in rain-related incidents. Moreover, eight Covid-19 patients in Khed, Ratnagiri died owing to disruption of oxygen supply due to flooding. Four people were killed in a house collapse in Govandi. Of the 70 missing, 30 are from Raigad, 26 from Satara and 14 from Ratnagiri.

More than 85,000 people in districts in Konkan and western Maharashtra have been shifted to safer places. A total of 42,573 in Sangli, 40,882 in Kolhapur, 734 in Satara, 263 in Pune, over 1,000 in Raigad and 1,500 in Ratnagiri have been shifted to either shelters or to their relatives' places.

Chief minister Uddhav Thackeray is expected to carry out an aerial survey of the flood-affected Chiplun and Khed on Saturday.

Rescue work continued in Chiplun, Mahad and other parts of Konkan that saw several areas submerged in floodwater. Floods and poor connectivity affected the work.

While Ratnagiri administration was struggling to deal with flooding in areas like Chiplun and Mahad as well as incidents of landslide, there were allegations that the toll increased due to the delay in beginning the rescue work.

8 Covid patients die as O2 supply stops due to power cut

MUMBAI: Eight Covid-19 patients in a private hospital in flood-affected Khed tehsil of Ratnagiri district died due to disruption of oxygen supply owing to flooding and disconnection of electricity. The local administration of Ratnagiri district has begun an inquiry into it.

Two of them were reportedly on ventilator support, while the remaining six were on oxygen supply. "The hospital had been submerged in water since Thursday. The water level increased after 7am on Friday. It resulted in disconnection of electricity. After we got the call last night, the rescue team was deployed for evacuation of patients, but they could not reach the spot because of waterlogging. Relatives of one of the patients claimed their patient was not positive for Covid-19," said Dr Sanghmitra Phule, district civil surgeon.

Datta Bhadakwad, resident deputy collector, said, "There was no shortage of oxygen, but it could not be supplied due to power outage. The administration even tried to supply oxygen temporarily, but failed because of the downpour."

true education is powered by resolve, not resources.

Aarti's spirit shows us: it

In one of the villages where floodwaters had entered homes and upended lives, we witnessed a scene that deeply moved us.

Under a tree, Aarti, a Class 3 student, sat quietly studying – lost in her books, undisturbed by the chaos around her.

That simple yet powerful image reminded us that true strength lies not in circumstances but in determination. Aarti's resolve to learn, even amid hardship, is a lesson in hope – one that will remain etched in our hearts forever.

A Journey of Compassion: Reaching Out to Flood-Affected Families

The recent floods across India have brought immense suffering — relentless rains, rivers overflowing, cloudbursts and landslides have destroyed homes, ruined crops, and left countless families without shelter or livelihood. Moved by these heartbreaking stories, Shreeram Radhakrishnan Memorial Trust resolved to stand beside those struggling in the flood-hit regions of Maharashtra.

From Nerul to the Heart of Maharashtra — With Love and Relief

With the help of local contacts, we identified remote villages in Latur, Dharashiv, and Solapur where very little or no relief had reached. After careful planning, we prepared essential relief kits and reached out to 155 affected families, each kit containing food grains, oil, spices, toiletries, mats, blankets, and other basic necessities.

On 4th September, our team set out from Nerul, and over the next 39 hours, travelled to villages such as Mohal-Pofli, Ausa-Irvali, Ausa-Taka, Kalamb-Khodla, and Kalamb-Athardi to personally hand over the kits. Despite days of heavy rain in the region, our mission went on without interruption — as if nature itself blessed our efforts.

https://shreeramradhakrishnanmemorialtrust.com/

We set out not just with supplies, but with love, care, and the promise that they are not alone

Each stop revealed stories of resilience and courage amid devastation — collapsed homes, washed-out fields, and lives turned upside down. Yet, the gratitude in the eyes of those we met made every moment worthwhile.

From Mohol, early morning, our wheels of hope rolled forward — bringing comfort to flood-hit lives

Each Kit contained - Rice 5 kg, Wheat Flour 5kg, Oil 1L, Salt 1kg, Sugar 2 kg, Turdal 2 kg, Turmeric 200 gm, Masala 250 g, Tea Powder 250 g, Tooth Paste 1pkt, Soap 2 Pc, Mat (6FT X 6Ft) 2 Pc, Blanket 2 Pc, March Box - 1Pkt & Candles-1Pk.

We set out not just with supplies, but with love, care, and the promise that they are not alone.

This mission was possible only because of you — each helping hand turned compassion into action

This mission was made possible by the tireless coordination of Ajit Sir, the dedication of our Shikshaangan teachers — Rahul Pawar, Sangita Madam, Jayshree Madam, Priyanka Madam, Supriya Madam, Miss Vishaka, and Sarika Madam — and the quiet support of volunteer Nikhil. Trustees R. Radhakrishnan and Mrs. Lalitha Radhakrishnan were part of this heartfelt journey.

We remain deeply thankful to Mr. Santosh Deshpande for the transport support that made it possible.

Above all, we offer our heartfelt gratitude to you — our donors and well-wishers. It is your trust and generosity that make such missions possible. The blessings and prayers of every family we reached truly belong to you.
Together, we turned despair into hope — and reminded many that they are not alone.

A Roof Against the Rain — Tarpaulin Distribution to the Vulnerable at CBD Belapur, Belapur Gaon, & New Panvel, Khanda Colony, Kalwa & Rabale

June 2025: As part of our ongoing commitment to support **vulnerable communities**, few years back the Trust had initiated the distribution of tarpaulins to provide essential rain protection for those living in poorly sheltered hutments. With the onset of the monsoons, these tarpaulins offer critical relief to families struggling to stay dry and safe. This simple yet impactful support ensures a more secure and dignified living condition during the rainy season. This year we provided **119 families** with the much needed **rain protection Tarpaulin sheets**, mostly in the areas where we operate Shikshaangans.

When Children Feel Equipped, They Feel Empowered

Zilla Parishad Schools

at

Vasheni Village

Report on computer classes conducted for children of Raigad Zilla Parishad School, Vasheni, Taluka Uran, District Raigad for the year 2025-2026.

Classes were conducted throughout the year for students from Class 3rd to 6th. The children were introduced to computers, and they were taught the names of all the computer parts.

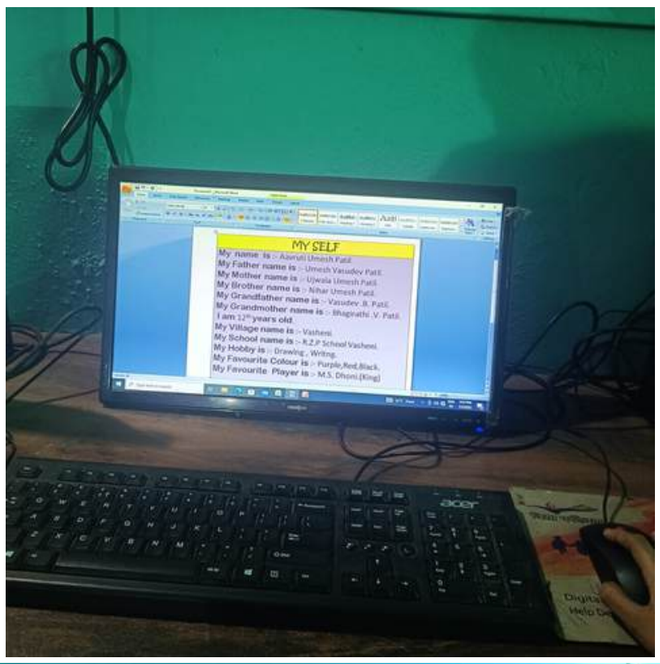

For Class 3rd and 4th Students: The children were given a basic introduction to computers and were taught how to draw shapes and pictures in MS Paint. They were guided on how to draw scenery (nature landscapes) and houses. Additionally, they were taught how to use fonts, themes, backgrounds, highlights, effects, and colors.

For Class 5th and 6th Students: Over the course of the year, these students were taught MS Word, PowerPoint, and Excel.

- In MS Word: They learned about names, themes, fonts, charts, tables, English spelling & grammar check, copy-paste, and shortcut keys such as Ctrl keys, Delete, Select All, Close Tab, Close Window, Open, Save, Save As, and New Window.
- In MS Excel: The children were taught how to calculate the percentage of their own marks and were introduced to various formulas. They were taught functions like AutoSum, Average, Minimum, and Maximum. They were also taught how to merge lines, and what 'cells' and 'rows' are.
- In PowerPoint: They were shown how to create a project, how to apply slides, and how to insert a new slide. They were also taught how to present a project once it was created.

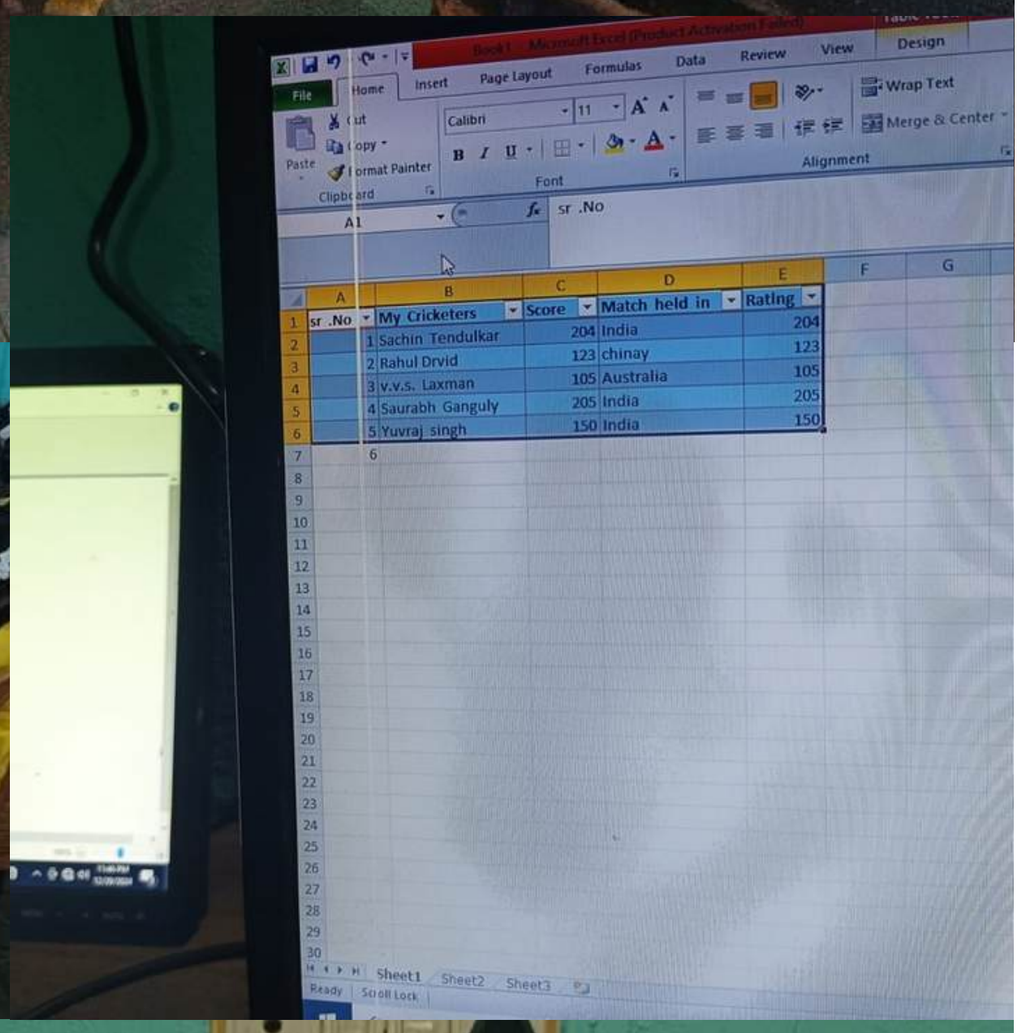

Finally, an examination was conducted at the end of the term. This is the year-long report of the children at my school.

TB Awareness Campaigns

TB Awareness Campaigns

We conducted only two campaigns during the year. Much below the number we had planned. We expect to increase our campaign to reach more individuals in the coming year.

In the FY 2025-2026, we conducted campaigns as follows:

August 2025 : Conducted TB Awareness Campaign in **NNMC Sanpada School**. **One hundred students, some teachers and the Principal** were present. The session was conducted by R. Radhakrishnan. Mrs. Lalitha led the Oath Taking.
Students were given chocolates for asking good questions and answering questions posed.
At the end of the session each student was given a booklet on TB and a chocolate.

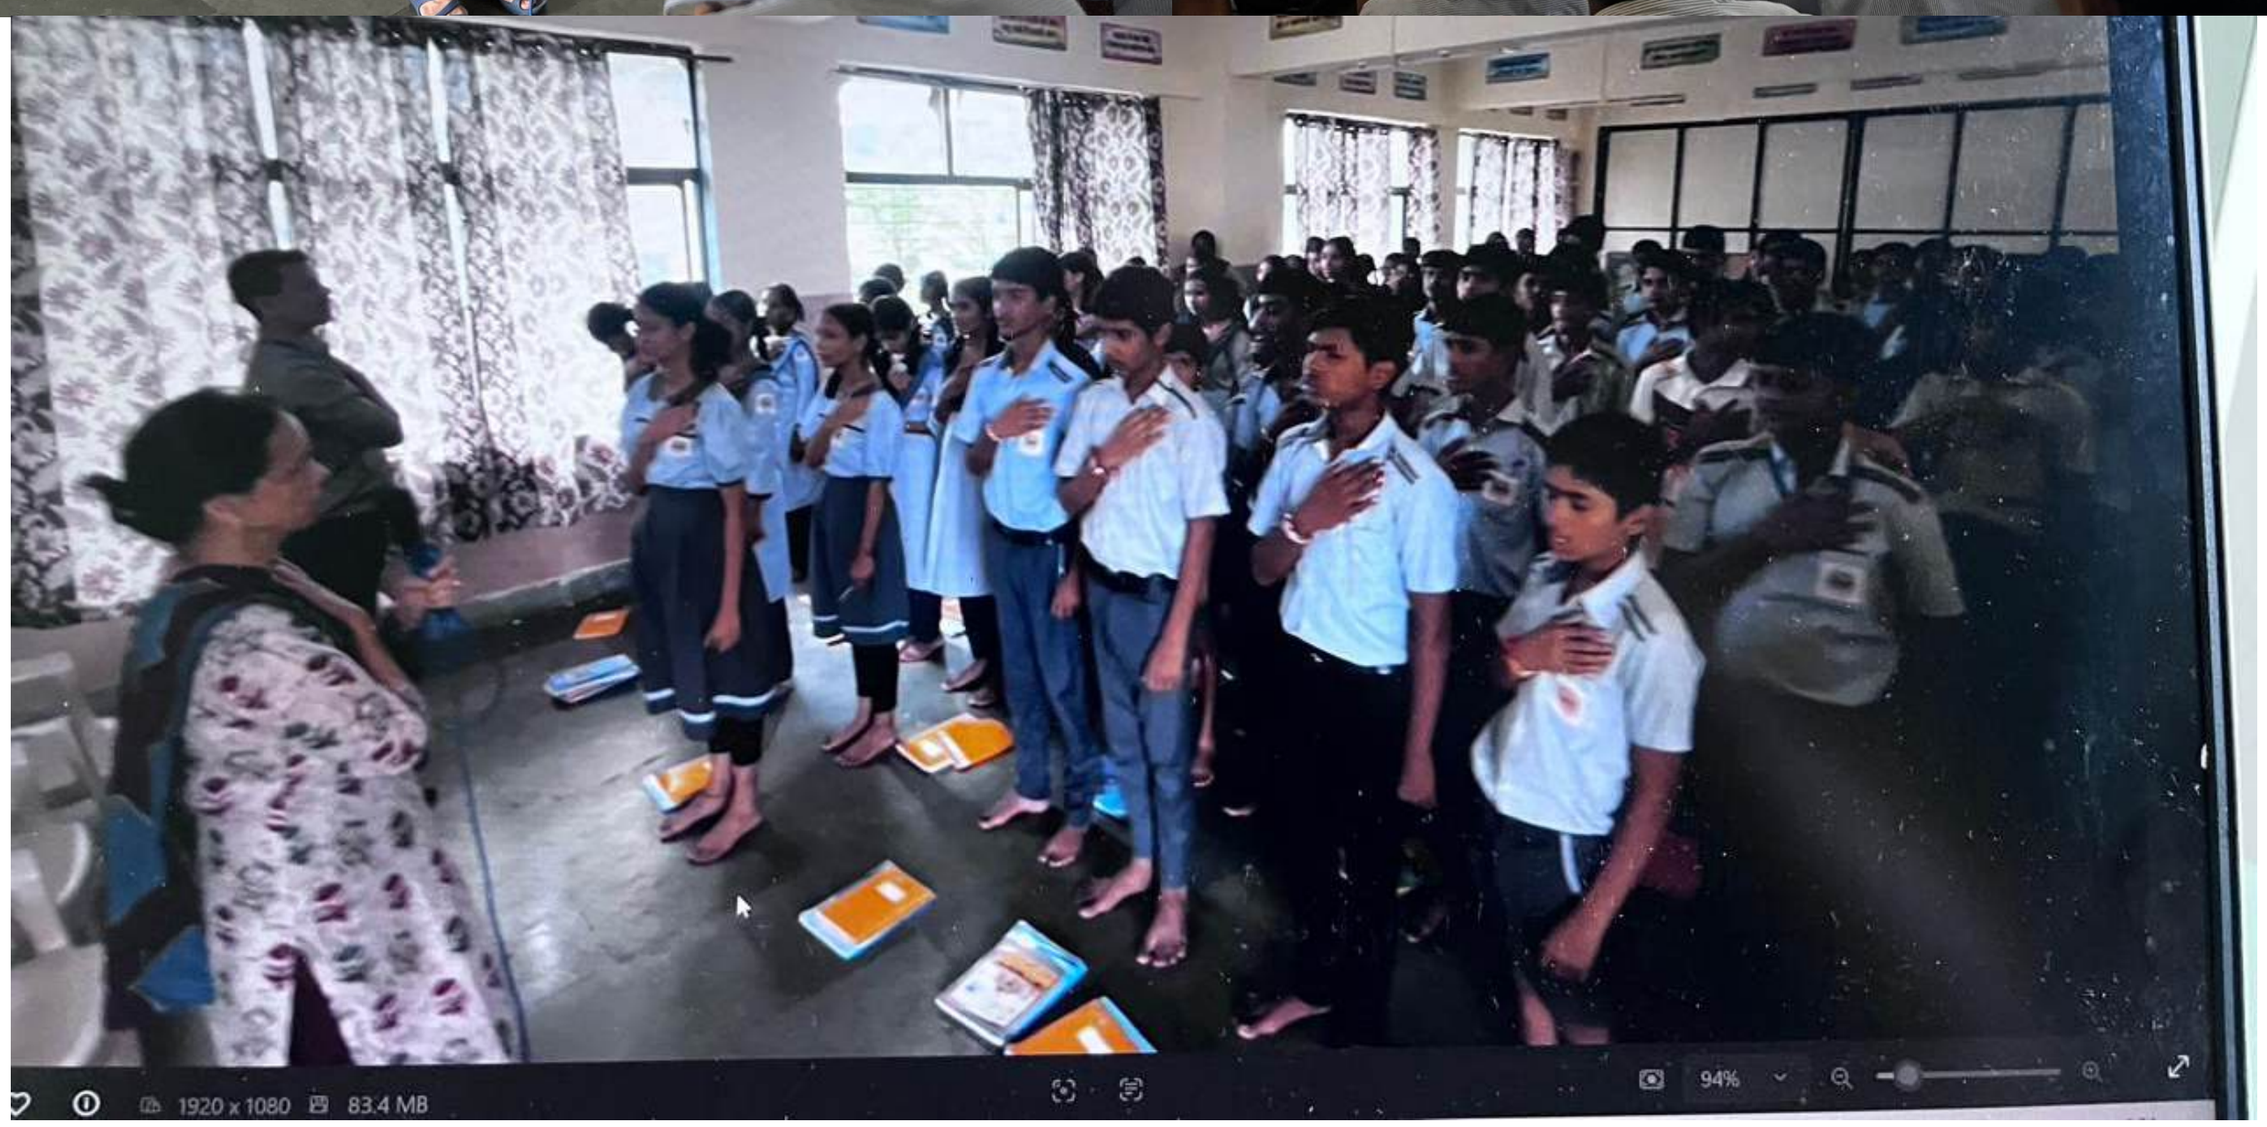

October2025 : Conducted TB Awareness Campaign in **NNMC School No. 104, Nerul**. **Eighty students were present**. The session was conducted by R. Radhakrishnan. Mrs. Lalitha led the Oath Taking.
Students were given chocolates for asking good questions and answering questions posed.
At the end of the session each student was given a booklet on TB and a chocolate.

Dr. Sayali Mahajan Joins Hands with the Trust to Bring Relief

Dr. Sayali Mahajan, in collaboration with Shreeram Radhakrishnan Memorial Trust, conducted a **skin and hair check-up camp** for parents and children in need.

A total of **41 individuals attended** the camp, and **39 were diagnosed with issues** such as fungal infections, eczema, dandruff, hair fall, acne, and pigmentation. Dr. Sayali provided the required medications to most of them on the spot. For a few cases needing further treatment, the Trust will arrange and provide the necessary medicines.

The Shreeram Radhakrishnan Memorial Trust extends its heartfelt thanks to Dr. Sayali Mahajan for her compassionate support and dedicated service.
